CLOCKS & METEOROLOGY

B120C GOLD BRASS NAUTICAL BAROMETER

OVERVIEW

The Pacific 120 is a mid-range size of instruments suitable for leisure craft and small commercial vessels. The range comprises of four instruments; clock, barometer, clinometer and confortmeter (combination of thermometer and hygrometer)

This range of instruments are also suitable for inclusion in custom made panels or weather stations. Alternatively, we have a range of pre-assembled weather stations listed in our weather station section.

These instruments would also make an attractive addition to any caravan or motorhome.

EASY FIX SYSTEM

Our clocks, chronometers and weather instruments combine traditional design and the stylishness of the finest nautical clocks and weather instruments.

To ensure easy operation and installation, an easy fix system is supplied in our 95 & 120 range of instruments which allows access to the movements, battery replacement or adjustment without removal from the bulkhead.
