BRACKET-MOUNT LIFEBOAT & DAVITS

OVERVIEW

The C12 bracket mount compasses is one of the most popular compasses in our range and the best option for Rescue & Lifeboats.

This bracket allows a multitude of options for mounting and the compass design allows optional compass adjustment kit.

The stylish design ensures that the compass looks at home on pleasure craft yet the rugged construction allows commercial applications.

And with features such as corrosion-resistant materials and sealed construction to prevent water intrusion this compass provides reliable heading source for safe navigation at sea.
