Wooden Box Wheelmark/SOLAS compass

C4-00108 WOODEN BOX LIFEBOATS & RESCUE BOATS

OVERVIEW

For traditional compass for small crafts and lifeboats and rescue boats we have a selection of compasses specifically designed for this application. - this compass can be permanently mounted on any horizontal surface. In this C4-00108 there is a battery operated led light.

If there is not sufficient space to mount a compass or a permanently mounted compass is not desirable, we have two boxed compasses that have MED approval. The C4 range comprises of two boxed compasses with a varnished wooden box, one with an 85mm card and the other with a 100mm card (C4-00114) - the box sizes are 155 x 135 x 155mm (C4-00108) and 190 x 190 x 130mm respectively. These compasses can be stowed in a secure location until required.
