Binnacle-Mount Wheelmark/SOLAS compass

# CHH-0090 BINNACLE-MOUNT LIFEBOATS & RESCUE BOATS

## OVERVIEW

The CHH-0090 Compass is based on a traditional design of lifeboat compass. The unit comprises an externally gimballed compass enclosed in a weather proof ABS binnacle. Lighting is provided by a clip-on waterproof illumination unit - this may be stowed separately when not in use.

Although most lifeboats are fully enclosed now, there is still a demand for this classic style of compass and it would meet the requirements for IMPA code 330211 "LIFEBOAT COMPASS 100MM, WITH COVER".

## FEATURES

- 100mm flat card
- 2.5° graduation
- 1 lubber line
- Individual MED/SOLAS certificate included
- 360° gimbal
- 5 years warranty
- 100% repairable

## APPROVALS

- Directive 2014/90/EC on marine equipment
- ISO 25862:2019
- ISO 9001 certified management system
